Data Alert - Registrar 2019-05B (Clarification)

CLARIFICATION- Program Content CCR Educational Meetings 2018 Data Changes

Denise Harrison, BS, CTR will provide an overview for many of the new 2018 data items as described in Data Alert 2019-05A. However, site specific radiation therapy coding will not be included in the individual primary site/case scenarios. Content for the primary site reviews is as outlined in the original draft agenda.
