

Quality Control Unit

Data Alert - Registrar

2019-17

Volume I, Appendix Q – Site-Specific Data Items (SSDIs)

[Appendix Q](#) has been rewritten to help registrars clearly identify the requirements of the CCR.

Updated sections:

- **How to Read [Appendix Q](#)** – Updated to differentiate the CCR requirements by CoC and Non-CoC facilities.
- **All Site-Specific “Requirements” Tables**
 - Removed CoC Requirement Column
 - Revised CCR Column to indicate:
 - Requirement by ALL CCR facilities = X
 - Required by CCR by CoC facilities = X - CoC Facilities ONLY

Section added:

- **Coding Guidelines** – This section was added based on feedback from the regional registries regarding assignment of SSDI's that are either not required by the CCR or are voluntarily collected by Non-CoC facilities.
