Data Alert - Registrar 2019-27

Volume I - 2018

Annual Data Changes – Third Release

As a reminder, per standard setters there will not be any data changes until 2021. Therefore, Volume I – 2018 has been updated based on registry community feedback as well as clarifications we have received by standard setters.

The California Cancer Registry has published the eighteenth edition of the California Cancer Reporting System Standards, Volume I: Abstracting and Coding Procedures for Hospitals.

Please click [here](#) to access the following Volume I documentation:

- 2018 CCR Volume I, third release.
- The 2018 Changes and Clarifications document, third release.
- Volume I, Appendices A-S, third release.

In addition, new versions of the [California Reporting Facility Codes](#) lists (Code and Alpha order) have been posted.

The above documentation is located on our website www.ccrca.org Data Standards and Reporting/Cancer Registrars, Hospitals, and Facilities/ Registrar Resources and Reporting/ under CCR Standards on Reporting Cancer in California, Volumes I-IV.
