CCR 2020 Education & Training Course Posting Schedule in FLccSC

The original program planned for the CCR 2020 Education & Training, has been **recorded** by Denise Harrison, BS, CTR and will be available to you **online** in the **CCR learning management system FLccSC**. Slide handouts and case scenarios will be available for download.

Courses in FLccSC will open for enrollment as follows:

- **5/18/20: Overview of Head & Neck**
- **5/25/20: La-La-La Larynx**
- **6/1/20: Hematopoietic & Lymphoid Neoplasms**
- **6/8/20: Ovary & Fallopian Tube**
- **6/15/20: Corpus Uteri & Cervix**
- **6/22/20: CCR Feedback on Abstracts**

Most courses have been split into 2 or 3 parts, so video presentations are not more than 30 minutes approximate. This should make scheduling your time to view the educational presentations easier.

IMPORTANT NOTE: The 6.75 Category “A” NCRA approved CEs for completing all the courses in this program Expire July 31, 2020! You must complete the courses by this date to earn your CEs.
