1. Yes---> Then you are the person I need to speak with. All the information obtained in this study will be confidential. (Go to GENHLTH-Q1)
2. No ---> May I speak with him or her? (When selected adult answers :)

Hello, I'm (interviewer name) from the California Department of Public Health and the Centers for Disease Control and Prevention.

We're doing a special study of California residents regarding their health practices and day-to-day living habits to guide state and federal health policies. You have been randomly chosen to represent 5,000 other {men/women} in California. Your participation in this voluntary survey will contribute valuable information used by state and federal health policy makers. We will collect NO information that can identify you. There is no risk to you. All information you give us will be confidential. If there is a question you cannot or do not wish to answer, please tell me and we can move on. If you have any questions about this survey that I cannot answer, I will provide a toll free telephone number for you to call.

While supervisory staff may monitor this interview for quality control purposes, all the information obtained in this study will be confidential.

SEX INTERVIEWER: Enter sex of respondent.

1. Male
2. Female
