

## Quality Control Unit Data Alert – 2022-13

**2022 SEER Advanced Topics for  
Registry Professionals Workshop  
September 20-22, 2022 from 12:00-5:00 PM EDT**

### **Registration Now OPEN!**

The virtual workshop will include in-depth coding for lung cancer, NET, and brain cases; data quality assessments, synoptic operative reports; and include presentations from subject matter experts including surgeons, pathologists, and oncologists.

Participants will complete assigned cases in SEER\*Educate before the workshop. For more information about the SEER\*Educate cases, go to

<https://educate.fredhutch.org/LandingPage.aspx>, sign in or sign up (it's free), select the Training tab, and click on SEER Educational Workshop. In-depth coding and abstracting training during the SEER Workshop will be based on coding of the assigned cases. You are welcome to complete the SEER\*Educate cases even if you cannot attend the workshop. CE totals are pending.

**Note:** The workshop is complimentary, **but registration is required.** Please use your NCRA member account to login and register. If you are not a NCRA member, you can create a guest account. Registration opens July 5 and closes on September 16, 2022.

Visit the [NCRA landing page](#) to register for the SEER workshop.

**July 6, 2022**
