

Quality Control Unit Data Alert – 2023-06 Reporting Timeliness Requirement Reinstated

The timeliness requirement extension detailed in [Data Alert – Registrar – 2023-02](#) will continue to be in effect until May 31, 2023, to provide facilities adequate time to prepare for reinstatement and transmit of 2022 cases.

2022 Cases: Timeliness will be reinstated on June 1, 2023.

- 2022 diagnosed cases, with a date of first contact between January 1, 2022 and October 31, 2022 and received by May 31, 2023, *that do not qualify for On Time timeliness (within 6 months)*, will be excluded from the CCR timeliness requirement.

2023 Cases: CCR will be preemptively extending timeliness with a decision to re-evaluate this in July 2023, with potential reinstatement on September 1, 2023.

Note: All other cases are still subject to the CCR Timeliness Requirement Standard, as described in [Volume I](#): Timeliness and Quality Control.
