

Pathology Labs Data Alert – 2025-01 Volume V – 2025 Annual Data Changes

The California Cancer Registry has published the twenty-fifth edition of the Cancer Reporting in California: [Electronic Pathology Reporting Standards Manual-Volume V](#).

Volume V documentation included in this release:

- CCR Electronic Pathology Reporting Standards Manual-Volume V, v25
- NPCR-AERRO ICD-10-CM **FY25** ePath CORE Cancer Reportables List
- Appendix A – Constraints Document
- Appendix B – NAACCR Race and Ethnicity Codes
- Appendix C – Terms Indicating In Situ Behavior

IMPORTANT: The CCR requests that pathology laboratories and/or facilities update or re-register organization or lab information. This includes specific contact information, inclusive of a lead physician contact, lab management contact, technical interface contact, as well as LIS and/or EHR vendor information.

- To register or re-register please go to: <https://pathreporting.ccr.ca.gov/registration/>

The above Volume V documentation is located on our website www.ccrca.org Data Standards and Reporting/Cancer Registrars, Hospitals, and Facilities/ Registrar Resources and Reporting/ under CCR Standards on Reporting Cancer in California, Volumes I-IV.

Questions regarding Volume V or the registration process should be directed to cdsrhelp@cdph.ca.gov.
